

**The Center for Women Legacy Society  
Ensuring Our Future**

The Center for Women Legacy Society honors those individuals who have included Center for Women in their long-term estate plans through bequests and other deferred-giving arrangements. By leaving a legacy gift to the Center for Women, you are ensuring that the Center will continue to bring the same outstanding programming to help women learn, thrive, and succeed long into the future.

**Documenting Your Bequest Intention**

I have included a non-contingent, irrevocable bequest to Center for Women as a part of my estate plan. A copy of the relevant provision of my will, trust, or beneficiary designation form is attached. If I make any change to this provision, I or my legal representative will notify Center for Women of such change.

Unless otherwise restricted by me, I understand that the Center for Women uses bequests to maintain a healthy cash reserve, for current priorities or near to mid-term objectives. The Center for Women prefers bequests and planned gifts which are unrestricted because they provide the entire organization with the most flexibility and allow it to best determine how to use these gifts.
